Dear Supplier

We are pleased to advise of the internal appointment of Tim Rice to the role of Head of Wine - BWS reporting directly to Adam Fry, Head of Merchandising - BWS.

Tim has most recently been with the Dan Murphy's business as the Head of Beer and prior to that Business Manager Wine – Dan Murphy's. During this time he has made a great contribution to the Dan Murphy's team bringing extensive knowledge from his 19 years in buying and operations roles across multiple divisions within the Woolworths Limited Group. During his time in WLG Tim has established himself as a respected and collaborative leader with each of the suppliers he has worked with in the wine and beer categories.

The experience Tim brings in buying and operations will be a great asset to the BWS team as we continue to deliver our strategy as the number one liquor retailer in Australia.

Tim will be relocating to Sydney in February 2016 to take up his new role therefore allowing us time to find his replacement as the Head of Beer within Dan Murphy's.

Please join us in congratulating Tim on his appointment.

Rose Scott
